

**REMARKS**

Claims 11-15, 17-24 and 26-44 are pending in the above identified application.

Restriction to one of the following inventions was required by the Examiner:

Group I: "Claims 11-15, 17-24; drawn to wireless application, classified in class 455 subclass 461."

Group II: "Claims 26-44, drawn to a method for applying a user profile, classified in class 709, subclass 202."

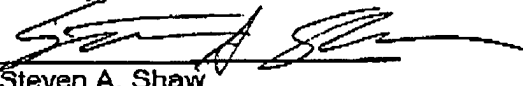

Applicants hereby provisionally elect group I, claims 11-15, 17-24 with traverse. Please cancel claims 26-44 without prejudice with leave to file a divisional application.

Elected claims 11-15, 17-24 were deemed allowable by the Examiner in Office Action dated April 24, 2002. Form PTO-892 accompanying the Office Action dated April 24, 2002 cited art from class 455 as did form PTO-892 accompanying Office Action dated June 20, 2001.

The first paragraph of the present application has been amended to add serial number information. Therefore, Applicants submit that after entry of the present amendment, the present application is in condition for allowance. A Notice of Allowance is respectfully requested.
